From Earl Park—1½ miles north on 41, 4 miles west on gravel road.

Good Motel service available in Kentland, Ind., or Sheldon, Illinois.

FOREWORD

Finding that I have too many cattle to hold over the winter, I have decided to sell 30 head from my breeding herd. I will sell all of my 1956 crop of heifers, also several bred heifers that are heavy in calf, as well as 10 cows with calves at foot and mostly rebred. We also offer three extra good yearling bulls.

You will find these cattle of medium type, as good as their pedigrees. You will see when you look thru the catalog that the foundation cows were purchased from the leading herds of this country and nothing but the best bulls were used.

You also will find that these cattle will give a good account of themselves when raised under the average farm conditions. These females are all calfhood vaccinated as this has been our practice for many years.

The Iroquois Shorthorn Breeders Assn., after a three year lay-off without an annual sale again returns with a sale and with the cooperation of Mr. Steinmetz make possible this sale.

The Assn., has 15 consignors in this sale, which will give the buyers a chance to select from some of the best cattle and better blood lines in the midwest.

The sale being held on Saturday, these cattle can be left at the farm until trucks can be arranged for.

GENERAL INFORMATION

Guarantee—All cattle sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's disease and tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over twelve months old at the time of the sale are guaranteed to be breeders. Animals returned to seller, because they do not comply with guarantee will be at buyer's cost of transportation.

Terms—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchased. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

The above guarantee and terms shall constitute a contract between consignor and buyer on each lot. Neither the sale manager, clerk of the sale, nor the Association assumes any liability legal or otherwise.

Registration—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors, or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease and health charts to comply with the regulations of any state will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

Mail Bids—Those unable to attend the sale may send their bids to the sale manager, Glen Kietzman, Loda, Ill., Auctioneers, or Staff of the Shorthorn World, Aurora, Illinois.

Auctioneers—Pete Swaffar, Tulsa, Oklahoma, Harvey Miller, Danvers, Ill.

Representatives—The Shorthorn World staff.

Lunch on Grounds.

Willow Lee Wonder 23d

One of the first prize pair of bulls at the 1954 International.
Several cows have calves at foot and many are bred to this bull.

For Reference Only.

It has been proven that the Reds, Whites and Roans are pace-setters in beef cattle improvement pace-setters that have "set the style" five times in the last 12 International steer shows. These five grand championships plus four reserve grand championships during the same period prove we are breeding the RIGHT TYPE that our carcass quality is CORRECT no other breed can equal this record.

- LEADER'S BEAUTY, a very good daughter of Willow Lee Custodian, selling open.

GOOD BULLS FOR GREATER PROGRESS

Investing in an outstanding purebred Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage, no amount of feeding and handling will ever develop it into a top animal.

A good Shorthorn bull will raise the standard of the calves from just average cow herds immediately . . . and owners of choice cow herds cannot afford to invest in a bull that doesn't give all the evidence of having the ability to sire calves equal or superior to their dams.

The bulls offered in this sale are just the type to lead the progress of the Shorthorn breed in the future.

Bridegroom Leader

Sire of Lots 26, 27, 28, 29, 30, 33 and 34.

Some cows have calves at foot by him and many are bred to him.
